FOR IMMEDIATE RELEASE

**LT. COL. OLIVER NORTH TO DELIVER KEYNOTE ADDRESS AT ILD CUSTOMER
APPRECIATION EVENT**

PONTE VEDRA BEACH, FLORIDA October 19th, 2005 – Combat decorated Marine, best-selling author, and host of "War Stories" on Fox News Channel, Lieutenant Colonel Oliver North will deliver the keynote address at ILD Telecommunications' second annual customer appreciation event, "Partners in Profits". The event will take place on October 24th at the Ponte Vedra Inn & Club in Ponte Vedra Beach, Florida. The theme for Lt. Col. North's keynote address will focus on the "Importance of a Bullet Proof Strategy" as it applies both to business and personal life.

"A bullet proof strategy is the basis for success in each of our lives. In order to stay on track both professionally and personally, a focused strategy is key. At ILD, we place high value in our customers and demonstrate our commitment to partnership and building a strong foundation for success. We are excited about this second annual event and look forward to growing these partnerships with our clients", said Chairman and CEO of ILD Telecommunications, Mike Lewis.

After the motivational address, ILD's guests are invited to a private "Meet & Greet" reception and personal book-signing of Lt. Col. North's latest book, "Assassin".

The three-day event will showcase the insightful lecture on strategy, detailed individual product workshops relating to Business Process Outsourced ("BPO") services, and planned relaxation activities.

"ILD's clients will have the opportunity to enhance their knowledge through discussions on the latest trends and best practices in the BPO space. Clients will learn about ILD's latest product developments to increase profitability, examine the dramatic market changes, and network and foster relationships with capable industry leaders," said Mike Lewis.

ILD Telecommunications is a three-time recipient of the First Coast 50 award, sponsored by KPMG and the Florida Times Union for its outstanding accomplishments and contributions to the community. ILD Telecommunications, Inc. provides business process outsource solutions, operating network facilities and call centers in Dallas, San Antonio, Atlanta, Jacksonville and Fort Lauderdale with corporate headquarters in Ponte Vedra Beach, Florida, in addition to remote sales offices throughout the country. ILD's core products include billing, operator and call center services, audio & web conferencing services, global calling cards, and long distance voice services. ILD operates with over 300 employees and approximately \$100 million in annual revenues, delivering service offerings tailored for each of its customers.
